

2026 SAVE THE DATES

Bradley Z. Naifeh

Amyloidosis Conference

Presented by the Bradley Z. Naifeh Amyloidosis Treatment and Research Program
at Houston Methodist J.C. Walter Jr. Transplant Center

Patients and Caregivers: Friday, May 8
Medical Professionals: Saturday, May 9

Amyloidosis is underrecognized and often misdiagnosed.

Amyloidosis has historically been misconceived to be a rare disease. It presents in a subtle manner, in a myriad of clinical situations. Recent advances in therapeutics have made it imperative that this condition be recognized and categorized appropriately — and in a timely manner — so that individuals can get access to the right care.

Due to the systemic nature of amyloid, various subspecialties are on the forefront of battling this disease. The goal of this conference is to create a faculty panel from various disciplines to promote awareness, and to educate attendees on amyloidosis in a comprehensive manner.

A Multispecialty Perspective on Amyloidosis

Cardiology

Arvind Bhimaraj, MD
Mahwash Kassi, MD
Ju Kim, MD
Barry H. Trachtenberg, MD
Rayan Yousefzai, MD

Hematology

Kelty Baker, MD
Siddhartha Ganguly, MD
Sai Ravi Kiran Pingali, MD
Lawrence Rice, MD
Shilpan Shah, MD
Carrie Yuen, MD

Hepatology

David W. Victor III, MD

Nephrology

Horacio E. Adrogué, MD
Juan Gonzalez, MD

Neurology

Sheetal Shroff, MD

Orthopedics

Shari Liberman, MD

Accreditation and Designation Statements (May 9 only)

Physicians

Houston Methodist is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

These live activities have been approved for *AMA PRA Category 1 Credits™*.

Transplant Coordinators

Category I Continuing Education Points for Transplant Certification (CEPTCs) has been applied for through the American Board for Transplant Certification (ABTC).

Nurses

Houston Methodist will award up to 5.0 contact hours for this activity. Participants must attend at least one session and complete the corresponding evaluation. Credit should be claimed only in amounts commensurate with the extent of participation in the activity.

Social Workers

This activity is pending approval by The Texas State Board of Social Work Examiners.
